Summary of Legislation: This bill permits the purchase, sale, or trade of motorcycles on Sunday. (Current law provides that a person who buys, sells, or trades motor vehicles, including motorcycles, on Sunday commits a Class B misdemeanor.)

Effective Date: July 1, 2012.

Explanation of State Expenditures:

Explanation of State Revenues: Any impact on Sales Tax revenue is expected to be minimal since any purchases of motorcycles on Sunday would likely have occurred anyway on some other day of the week, or, if not, would likely reduce consumer spending on other sales taxable items.

Sales tax revenue is deposited into the state General Fund, the Public Mass Transportation Fund, the Industrial Rail Service Fund, and the Commuter Rail Service Fund.
